BENEFICIARIES

In 1995, the National Association of Insurance and Financial Advisors initiated a community effort to supply local police and emergency squads with Teddy Bears. These bears are often the best medicine for a child in an emergency or traumatic situation.

In 2007, NAIFA Tri-County, voted to expand its community service by providing the Margaret Nagy College Scholarship to a qualifying student from a Tri-County Area School District. The scholarship is awarded annually to a graduating senior who demonstrates academic achievement, leadership potential, financial need and community service.

**YOU ARE MAKING A DIFFERENCE
IN A CHILD'S LIFE.**
